Activation of New Mobile Crane

Dear Subscriber,

Please be advised that beginning on Monday, Jan 20, 2014 our new Grove GMK 7550 mobile crane will be available for heavy lift cargo. The new crane will be stationed at Dundalk Marine Terminal but is capable of being relocated to other MPA terminals if needed. DMT will now have two active rail adjacent cranes to serve the needs of project cargo shippers.

Please refer any technical questions about the new Grove GMK 7550 to:
